## PRESIDENT'S REPORT

"Democracy dies in darkness."

*Washington Post*

### Annual General Meeting Scheduled for March 4, at 9:30 a.m.

I invite you to the Annual Nord-Bridge General Meeting and Board Election to be held on March 4, at 9:30 a.m. The President will provide coffee and pastries and the board and administrative team will do their best to ensure the meeting is informative, entertaining and to the point. But Nord-Bridge needs you to be there. As Nord-Bridge approaches its fortieth anniversary, the AGM will enable us to review the highlights of the last year and our plans for the forty-first year.

Thanks to the many volunteers and board members who are behind the Nord-Bridge success story. We will elect next year's Executive and Board of Directors. If you are interested in serving on either **the Executive or the Board of Directors**, you may obtain information and nomination forms at the front desk. There is also an opening for Chair of the Go-Friendly Society.

### The Alberta Government Denies Funding for Two Community Programs Heavily Used by Seniors

The provincial government turned down a request submitted by the City of Lethbridge for funding for low-income transit customers. Although such programs are already available to low income citizens in both Edmonton and Calgary, funding will not be extended to low-income citizens in Lethbridge. Mayor Spearman noted that because Lethbridge has one of the highest poverty rates in the province, "We want to make sure families that live in Lethbridge... have access to the same sort of programs."

Seniors concerned about rising drug threats in our community will also be disappointed to learn that the City's request for funding for a local SCAN Office (Safer Communities and Neighbourhoods) was turned down.

### Tax Credit and Fraud Workshop at Nord-Bridge

On the morning of February 21, Nord-Bridge will be hosting a workshop on Tax Credits and Fraud. This is one of a number of financial workshops Nord-Bridge offers our members because, well, money doesn't stop being important to us when we turn 65. Catherine Ford notes that the good news is that of the 500,000 seniors living in Alberta, 58 percent of us are debt-free. The bad news is that there are too many Albertans carrying debt into their senior years. It is for this reason that Nord-Bridge offers a variety of financial workshops throughout the year. I also note that research indicates that seniors without debt live longer, happier lives.

### Grief and the Senior

Seniors grief is not unlike the grief experienced by the rest of society. The only difference is in having lived longer, seniors have had the opportunity to accumulate more loss experiences. Grief is the normal and natural reaction to any change that we encounter in life. Grief accumulates, even when we think we have “moved on” or “gotten over it”, the reality is that very few of us have learned how to grieve effectively and we carry a big burden.

The following are often not recognized as losses that we grieve:

- **Retirement** - Giving up a career is certainly a change from familiar behavior patterns. While most young people see this as an ultimate goal, but upon reaching it, many discover that they miss the elements of routine it brought to their lives as well as having to adjust to a different income level.
- **Empty Nest** - Our relationship with our children changes as we age. While we all hope our children become responsible and move into their own lives as they mature, their lack of dependence on us can become more pronounced as we age.
- **Loss of Stamina** - It can be a grieving experience to find that it now takes longer to accomplish what were once simply everyday tasks. It is not unusual for people to find themselves frustrated when certain tasks now seem far more daunting than they used to be.
- **Loss of Health** - As we age, we sometimes find that we are dealing with more health related issues. It can be as simple as taking longer in recovering from a cold or the flu. For others, it can be joint issues related to sports activities of the past that now come back to haunt us.
- **Changes in Living Situations** - Whenever we move from one place to another, throughout our lives, there can be elements of grief related to that change. When we reach the point that independent living is no longer wise for us, it's certainly a grieving event. Not only are we grieving that loss of independence, but also those things that we must leave behind when we downsize to a smaller living environment.

The list of changes we experience as we age is endless and *change is inevitable*. It's something that we deal with on a daily basis. The problem is that we try to deal with change strictly from a logical standpoint. Change, however, is something that affects us on an emotional level: logic has very little impact on our emotions. No matter how logical we try to be, change can be emotionally painful and we grieve change.

On February 6, I have a new 8 week group starting and if you are grieving changes in your life or losses, this program is for you. It is not a drop in group but a step by step program where you are shown the steps to recognize your grief and not let the burden weigh you down any further.

### My February Schedule:

February 2020

	4	5	6	7
10	11	12	13	14

New people are welcomed into the group until the 3<sup>rd</sup> session so if you are reading this after February 6<sup>th</sup>, it isn't too late. Register at the front desk or come see me if you have any questions.

## EXECUTIVE DIRECTOR'S REPORT

Greeting Members,

Over the past few months many members have taken the time to stop me in the hallway to commend the staff and Nord-Bridge for all of its services. Those kind of comments illustrate the impact we are making on our members and community. To put it into perspective on how much Nord-Bridge means to our members; during the week long extreme cold temperatures in January (the average wind chill was - 34 degrees) Nord-Bridge daily attendance only dropped by an average 30 people for the week, compared to same week in 2019. Whether members seek social benefits, physical health, mental health or social supports we see clearly that the cold weather will not keep the majority away. \*Please note although we love seeing your friendly smiles on cold and wintery weather snow days; we hope all members will practice caution before they travel to Nord-Bridge on inclement weather days.

The Annual General Membership Meeting will take place on March 4, at 9:30 am in the Multi-Purpose Hall. Please mark this date and time on your calendars. Nominations for three board of director positions will close February 11th at 4:30 pm. Nomination forms are available at the Front Reception Desk.

2019 membership numbers are in and I am pleased to report Nord-Bridge had another great year. We finished the year with a total of 1,452 members. This number is 25 more members from 2018 and 25 members shy from our record 1,477 set fifteen years ago in 2005. Geographically, 55% of our members live in the north, 33% south, 11% west side and 1% reside in surrounding communities or rural areas. The breakdown of the age groups are: 55 - 64 year olds 7%, 65 - 74 year olds 48%, 75 - 84 year olds 34% and 11% are 85+. One final stat to report is our male to female members; female members make up 67% of our membership while 33% are males. What do these numbers and stats exactly mean? Well, it shows us who are members are and help forecast the direction Nord-Bridge should take with programming, services, events and activities.

Did you know? April 22, 2020 will mark Nord-Bridge's 40th year of being incorporated as a society. We will have many celebration events and activities leading up to the anniversary date. Please stay posted and watch for notices in the Newsletter, Facebook page and posters around the building.

## Programmer's Report by Ashley Kern

What a cold first of the year we have had so far! I had the chance to attend an NHL battle of Alberta, Calgary Flames and Edmonton Oilers, hockey game last month with my hubby. What a game it was, other than my team (Oilers) losing and the chilly arena, it was fun.

We have a few new programs starting up in the next few months. Firstly, Swing Dancing will be starting Wednesday, February 5 at 2:30 - 3:30 pm thanks to a partnership with The Swing Bridge Dance Community and Nord-Bridge. They will be teaching this class and depending on the interest, we will continue this class for six weeks. If you are interested, please talk to me, as space is limited. Secondly, we will be doing another five-week Cooking for One class at the Interfaith Foodbank, starting Thursday, March 5. We are looking for **one** more Nord-Bridge member to join this amazing program! This is FREE, not to mention great information on cooking for one, hands on experience, and enough food to take home for the entire week!

Thirdly, we are also looking for more participants for Session two of Sheila Mulgrew's POUND® (a.m. and p.m.) classes beginning in March. Please find the dates and times in the Winter Program Booklet. This is a fun, energizing workout which combines cardio and strength, with yoga and Pilates inspired movements all while using ¼ lb. drumsticks! Lastly, Della Howg's morning Line Dancing is welcoming new participants interested in this fun form of dance for any level. There is however, a fee of \$2.00 for members and \$3.00 for non-members. Please pay the instructor.

Special events for this month include; Friday, February 14th is our annual Valentines Day Themed Luncheon at 11:30 am. Get your tickets at the Front Reception Desk today as tickets will be gone soon! Canada Revenue Agency's Community Outreach Liaison - Nicole Frandsen will be presenting on seniors fraud and income tax forms on Friday, February 21 at 10:15 am in the Dining Room Annex. Please sign up beside the Front Reception Desk. Lastly, the Massage Therapy Students from both the Lethbridge College and Southern Alberta Institute will be in Nord-Bridge for members on Wednesday, February 12 at 10:00 a.m. -12:00 p.m. and Friday, February 28 at 9:30 a.m. - 11:30 a.m.

Next month, the Community Volunteer Income Tax Program led by many volunteers, will begin. Appointments begin on Monday, March 2<sup>nd</sup>, however, you can call into Nord-Bridge one week before (February 24<sup>th</sup>) to book an appointment with one of our income tax volunteers. Please make sure to bring in all of your 2019 income tax documents.

One last reminder, we will be closed for Family Day on Monday, February 17th, 2020.

Until next month,  
stay happy and healthy!

*Ashley*

## NORD-BRIDGE 2019 AGM & BOARD ELECTION

**Wednesday, March 4, 2020, 9:30 a.m.**  
**Nominations Notice for Board & Executive Positions**

At the Association's **upcoming Annual General Meeting**, scheduled for **March 4, 2020, 9:30 am**, the membership of Nord-Bridge will be asked to elect a new Executive. This occurs annually. Executive Officers can serve a maximum of 3 years in the same position, excepting for the Treasurer and Board Secretary, who can be elected for extended terms. In 2019 our membership will minimally elect (or re-elect) the President and Vice-President. Members will also be asked to vote on the Treasurer and Board Secretary. The By-Laws outline that [where possible] nominations for Executive positions are made from individuals who have served on the most recent Board, and have been a Director on the Board for a period of at least one year.

In addition, at least 3 Directors are elected to the Board annually. Directors on the Board are elected from members of the Society in "good standing", per By-Law Item 7.1.4. Directors can serve up to two terms of 3 years each.

If you would like to serve on the Executive or Board of Directors, please see the By-Laws in the Library or at the Front Reception Desk; or speak with a member of the Nominations Committee, chaired by Past-President Pat Santa; or with Executive Director David Ng. You might also wish to speak with a current member of the Board to learn of their duties and experiences. We are announcing the AGM and Election now to give all members a chance to contemplate this governance opportunity. Nomination Forms will be available at the Reception Desk on January 6 with nominations being accepted at the Front Reception Desk until **4:30 p.m. on Tuesday, February 11, 2020.**

## OUTREACH REPORT Val Arkinstall, Outreach Coordinator

Our outreach program was another success. Thanks to Ashley who prepared a beautiful presentation of Scotland. Randy Butterwick, our M.C., welcomed everyone with a poem 'Winter in Alberta'. It was wonderful to have some good weather

for the event which brought out a total of 114 including groups, walk ins, volunteers, and 4 entertainers – The Celtic Routes. They played Scottish music with lots of participation, clapping, and dancing. John King even donned his kilt. Prizes were awarded to a Da Capo client, a Nord-Bridge member, and a guest of the entertainers. Randy B. had them laughing again when he sang a song on how nice it is to be a senior with all the aches and pains. The best medicine for a senior is having a good laugh. Refreshments of raisin bread with cheese and grapes were enjoyed by all. Many thanks to the 17 outreach volunteers for doing a superb job.

All in all everyone was happy and enjoyed the fun atmosphere and getting out for a good time. In closing, a few Scottish sayings: "Don't be a wee clipe" (don't be a little tell-tale) or my favourite: "You're a wee scunner" (term of endearment for a toddler). My late grandmother was born in Berwick-Upon-Tweed a town just on the border of England and Scotland. She always said grace before meals in Scottish and enjoyed telling stories of the great Edinburgh castle.

**NEXT UP** – Our February program; Monday, February 10<sup>th</sup> a **Valentines party** with **Tom Price and Friends**. Please remember to book early (by February 6<sup>th</sup>) as this program will sell out. We will not be able to take walk-ins on the day of the program. It will be a week earlier because the 3<sup>rd</sup> Monday the Centre is closed. If you know someone who needs a cheery visit either in the hospital or living on their own, please let me know.
